

DAY 116

LESSONS COVERED: ULAT 2.25

CONTENT:

1. PHONICS 2
2. WORD RECOGNITION

OVERVIEW: Lesson 2.25 marks the second series of lessons aimed at providing reading instruction, and the first time that the students will be asked to read aloud. The lesson begins with an extensive review of the phonics of the language learned while doing the first reading earlier in this unit, briefly works on word recognition skills and concludes with a brief reading selection on which the students will be evaluated.

ACTIVITIES:

1. **READ** through the first two sections of lesson 2.25. Place heavy emphasis upon maintaining good pronunciation when reading aloud.
2. Play the **DICTATION GAME** with the students using random words to which they have had no prior exposure and do not limit yourself to selecting words with consecutive vowels, as is suggested in the explanation of this game.
