

DAY 119

LESSONS COVERED: ULAT 2.24, 2.25

CONTENT:

1. SECOND READING ASSIGNMENT

OVERVIEW: Lesson 2.26 provides the students with their second reading assignment – again either concerning the Richardson family or a passage from the Bible. Whichever the selection your students perform, they are not expected to read the first section aloud, nor even to understand it all, as it is written this time in a somewhat more sophisticated manner. They are merely to listen to the reading and follow the text with their eyes. The second section, however, provides them with a simplified version of the same content. They are to read aloud the material in section 2, guided by the classroom teacher.

ACTIVITIES:

1. Review the WORD RECOGNITION POWERPOINT VIDEO in section 4 of lesson 2.25.
2. **PRACTICE THE TESTS** found in the final section of lesson 2.25.
3. If sufficient work stations exist, allow the students to do **INDEPENDENT STUDY** over section 1 of lesson 2.26. They are simply to listen to the description of the reading you choose and to follow the text with their eyes.
4. Have the students **READ SECTION 2 ALOUD**, while you place emphasis upon proper pronunciation.
