

DAY 122

LESSONS COVERED: ULAT 2.27

CONTENT:

1. QUESTION FORMATION WITH INTERROGATIVES

OVERVIEW: Lesson 2.27 provides the students with the opportunity to practice forming questions and using interrogatives regarding the content of the reading selection they did. At the end of the lesson, they will be called upon to perform an oral summary of the content of their reading selection.

ACTIVITIES:

1. Perform a **DRILLING SEQUENCE** on the contents of lesson 2.27
 - a. **INDEPENDENT STUDY ON COMPUTERS**
 - b. **PAIRED READING** through the lesson. The teacher clicks on the first image, before the green arrow, to provide the answer in each item and the students alternate providing their partner with the question that must have been asked to receive that answer, being guided by the interrogative suggested after the arrow.
 - c. **ORAL PARTICIPATION** over the same items.
