

## DAY 141

LESSONS COVERED: ULAT 3.2

CONTENT:

## 1. ADJECTIVES OF PHYSICAL DESCRIPTION

**OVERVIEW:** The third unit of the ULAT program aims to enable students to describe themselves and others with reference to their appearance, clothing, feelings, health, physical condition and familial relationships. The first two lessons of the unit focus on describing a person's appearance and therefore present a drill the position and form that adjectives of physical description will take.

ACTIVITIES:

1. Perform a **REVIEW SEQUENCE** regarding the new vocabulary.
2. Play the **HIDDEN CLASSMATES** game with the students, obliging them to limit their questions to issues of physical description.
3. Watch the **INSTRUCTIONAL VIDEO** found at the beginning of lesson 3.2.
4. **READ** through sections 2 through 5.
5. Perform an **ORAL PARTICIPATION** session regarding the photos in section 6. Allow the student to tell you either what the individuals in the photos look like or what they don't look like (affirmative or negative statements).
