

DAY 21

LESSONS COVERED: ULAT 1.13, 1.16

CONTENT: 1. POLITE CONVERSATIONAL EXPRESSIONS
SKITS
2. CONJUGATION, QUESTION FORMATION AND
NEGATION REVIEW

OVERVIEW: Lesson 1.16 is simply a review of the sentence structures learned thus far, though requiring the students to form such statements with ever-increasing fluency.

ACTIVITIES: LESSON 1.13

1. The lesson 1.13 test on polite conversational expressions can be taken in one of two ways. You can have the students perform a skit as a role play replicating the conversation between the girl and the man in lesson 13. Otherwise, the students can meet with you one-on-one and simply say a statement corresponding to the images found in the final section of the lesson. Whether or not this activity is graded or merely counts toward oral participation is up to the discretion of the teacher.

ACTIVITIES: LESSON 1.16

1. Show the [INSTRUCTIONAL VIDEO](#) introducing lesson 1.16.
2. If time remains, allow time for [INDEPENDENT STUDY](#) of lesson 1.16.
