

## DAY 75

LESSONS COVERED: UNIT 1 TEST – PART 1

CONTENT:

1. QUESTION FORMATION (EVALUATION)
2. LISTENING COMPREHENSION (PREPARATION)

**OVERVIEW:** The ULAT breaks up the six parts of the Unit 1 Test into six separate days, assuming that most teachers must test at least 20 students, one at a time, within a typical class period of less than an hour in length. However, students in smaller or longer classes could possibly take more than one part of the test per day, as could those in which the instructor has an assistant who is competent to perform the evaluation of a second student simultaneously.

In Part 1 of the test, students are given a limited amount of time within which to form the 12 questions suggested to them by the series of images they will see on the screen. (See the grading key by clicking on the percent symbol found at the upper right of the page containing the test.) After having been tested, the students are to turn immediately to their preparation for part 2 of the test, hopefully having access to some form of work station giving them access to the ULAT.

1. **ONE-ON-ONE TESTING** regarding part 1 of the Unit 1 Test
2. **INDEPENDENT STUDY ON COMPUTERS** regarding the next part of the Unit 1 Test, which can be found immediately following lesson 1.49.
