

DAY 118

LESSONS COVERED: ULAT 2.25

CONTENT:

1. PHONICS 2
2. WORD RECOGNITION

OVERVIEW: Lesson 2.26 provides the students with their second reading assignment – again either concerning the Richardson family or a passage from the Bible. Whichever the selection your students perform, they are not expected to read the first section aloud, nor even to understand it all, as it is written this time in a somewhat more sophisticated manner. They are merely to listen to the reading and follow the text with their eyes. The second section, however, provides them with a simplified version of the same content. They are to read aloud the material in section 2, guided by the classroom teacher.

ACTIVITIES:

1. Perform a **TESTING SESSION** on the tests found at the end of lesson 2.23.
2. During the test, assign students the task of returning to sections 3 and 4 of lesson 2.24 and **STUDYING THEM INDEPENDENTLY**.
3. Conduct a **REVIEW** of sections 3 and 4, having the students read portions of section 3 aloud, while you emphasize proper pronunciation, and then performing the **POWERPOINT VIDEO** in section 4 together.
