

DAY 142

LESSONS COVERED: ULAT 3.2

CONTENT:

1. ADJECTIVES OF PHYSICAL DESCRIPTION

OVERVIEW: The third unit of the ULAT program aims to enable students to describe themselves and others with reference to their appearance, clothing, feelings, health, physical condition and familial relationships. The first two lessons of the unit focus on describing a person's appearance and therefore present a drill the position and form that adjectives of physical description will take.

ACTIVITIES:

1. Perform an **IDENTITY RECOGNITION** activity to begin the class.
2. **READ** through section 7.
3. Perform an **ORAL PARTICIPATION** session over section 8.
4. Watch the **INSTRUCTIONAL VIDEO** introducing lesson 3.3.
